Elvis & Benny

Original title: Elvis & Benny

Best friends Elvis and Benny have the most amazing wacky adventures in a post-apocalyptic fantasy world full of crazy creatures. They possess a unique sense of humour and are both madly in love with the stunningly beautiful but fiery Seahorse-mermaid Toucane. They play safely above the ground in their tree house, but danger lurks below in the form of giant blue underground rabbit lobster monster Sandy. When in peril. guardian yellow rubber duck-angel and shape shifter Babette comes to the rescue.
