Rusty S02

Original title: Rintje S02

Rusty and his best friends Henriëtte and Tobias enjoy a new animal adventure every day. At home, at school, at the dentist's or at the playground that they've built. On one occasion, they invent Olympic Games for dogs. On another, their magic show spirals out of control. And then there's the wild camping adventure. They often get themselves into a mess, but they always land back on their paws.
