The Big Bad Wolf Show

Original title: De grote boze wolf show

The Big Bad Wolf Show is an exciting, magical and above all humorous series. Each story is a contemporary (often far-fetched) variation on the classic tale by the Brothers Grimm "Little Red Riding Hood" in which children learn the difference between good and bad and about heroism and courage. Good always overcomes evil ! The leading parts are played by a series of cuddly, comical and very expressive latex miming puppets that portray animals, dwarfs and kindly trolls.
