

25° in Winter

Original title: 25° en hiver

It is the 12th of January and it's going to be a scorcher in the Belgian capital. A vehicle, bearing the logo of a travel agency, is speeding along the motorway. In the car are four people: Miguel; his overly-curious daughter; his overbearing mother; and a young Ukrainian girl who has slipped across the border to try and find her missing husband.
