

366 (Diary Movies)

Original title: 366 (dagboekfilms)

Self-portraits. A friend is eating. A ferris wheel. A scratched record. You are still breathing. Often. Collisions. Cars. Fuck you. Work. A bath. A wheel. Shoes. Lines. Insects. No hound, just a house. Steffie Van Cauter drew an animation film for each day. She collected a wide range of images and material, from which she has distilled several different film projects. Geen hond, wel een hok is a conclusion. She searched for a way to rouse her spirit of inquiry once again - a chance to get rid of too many possibilities, and at the same time to cherish and re-animate that to which the maker herself had somehow become blind.
