

Aikiddo

Original title: Aikiddo

Aiko, a 10-year-old girl, is heading into town after the lockdown, in search of new stories for her vlog. Amidst the sounds of the city, she hears music. Her curiosity leads to encounters all over the city with children expressing their feelings through music and rhythm. Together with her new friends, Aiko celebrates childhood on the rooftops of Brussels, through music, singing, dancing and beatboxing.
