

# Always Summer

Original title: Altijd zomer

A father and a daughter spend the weekend together. Dark thoughts play through his head, and while his daughter sleeps, he starts acting strangely. The next morning, his daughter tells him about a bad dream she had. He explains to her, in a special way, the difference between a dream and a nightmare. At their next meeting, however, he suddenly seems to have disappeared. Looking for him, she discovers a secret better left hidden.
