

An Angel in Doel

Original title: De engel van Doel

Near the port of Antwerp lies the village of Doel, which has been in the way of the megalomaniac expansionary urges of Antwerp for decades and now finally has to disappear. While Doel is slowly dying, the elderly Emilienne attempts to keep up a pretence of normality. At her kitchen table village life continues as if nothing has changed. But when her close friends leave, the village priest dies and demolition begins, the end seems inevitable.
