

An Evening à la Girafe

Original title: Soirée à la Girafe

In the spring of 1827, after a long and tumultuous journey, a ship enters the port of Marseille. On board is a giraffe, the first in the history of modern Europe. Immediately after its arrival, fashionable ladies and gentlemen start to imitate the giraffe's looks. On her way to the 'Jardin des Plantes', the giraffe stops at a charming Château, which belongs to Zélise, the lonely Marquise de Malibrant. While guests arrive for a 'Soirée à la Girafe', she waits in her boudoir and sings about far away places. An Oriental summer breeze encloses the castle and holds Zélise and her contemporaries in its thrall...
