

And Tomorrow?

Original title: ¿Y mañana?

A Flemish police officer wants to go back home after spending a rather boring holiday in Spain. But when he arrives at the airport, he realizes that he has forgotten to book a seat on the airplane. So everyday Jeroom goes back to the airport, to check if there's anybody who cancelled a seat. Because he has no money left, he rediscovers the values of freedom and of a care-free life in which money and time have no place.
