

Angela – Love Comes Quietly

Original title: Angela - Love Comes Quietly

After 20 years of living in the US, Ben returns to his native town. He is rich, has American ways and is accompanied by the pretty Angela who is pregnant and whom he says is his stepdaughter. In the village, Ben meets up with his old love Louise who is married now. When Angela decides to leave the narrow-minded village, Louise's son Harm decides to accompany her. They fall in love, but their happiness doesn't last very long. It is destroyed by a group who cannot tolerate the couple's liberal behaviour.
