

# As Long As We Can

Original title: Zolang we nog kunnen

For almost three decades, a ringing bell on the door was the soundtrack to their lives. Only on Sundays was it quiet. Some of them died, but others still stand behind the same shop counters. The three grocery shops in this documentary are the last of their kind, with the shopkeepers all fighting for existence, and for the sake of their regular customers. This film tells the story of a generation that is about to vanish.
