Autokar

Original title: Autokar

Nine-year-old Agnieszka travels alone on a bus that takes her to a faraway country. Distressed by this journey into the unknown, she writes a letter to her best friend, but her pencil falls and gets lost in the bus. Forced to overcome her shyness, Agnieszka sneaks between the seats in search of the lost object, plunging into a fantastic universe, populated by strange passengers, half human, half animal.
