

# Ayan and the White Balloon

Original title: ????? ? ?????? ???? ?

The white balloon goes back to her home country of Iran after five years of living in Europe to ask her old friends to play in her film. Looking for spontaneous collaborations in troublesome moments, she requests that they reenact scenes of bribery. To her surprise, her friends are reluctant to help her, blaming her for going along with European stereotypes. Frustrated by this, the white balloon gets into a fight with her best friend Ayan.
