

# Bad Trip

Original title: Bad Trip

In their last week as housemates, the four friends Tim, Kris, Sebastiaan and René unintentionally find themselves in a situation where they have to sell a huge amount of cocaine within one week. It would be a particularly difficult assignment for the most experienced gangsters, but is downright impossible for these four, who haven't a shred of knowledge about the criminal underworld. This crazy assignment will force them to descend deeper and deeper into the caverns of crime. A frightening yet hilarious journey that pits them against the Jewish, Turkish and Flemish drug mafias.
