

Beau Séjour S02

Original title: Beau Séjour S02

The last thing Maurice can remember is seeing his own body hanging from the mast of his sailing boat, the *Beau Séjour*. When he wakes up on the beach, hours later, nobody can see or hear him. He's dead, apparently a suicide. What's going on? His family is glad to be rid of him, that much is painfully clear from their reactions to his death. So Maurice starts to investigate. Then he discovers a couple of 'seers', people who can still see him, and with whom he can talk... But why these specific people?' Series 2 of *Beau Séjour* continues the story, with different characters and settings.
