

Beau Séjour S02

Original title: Beau Séjour S02

Former naval officer Maurice sees his own lifeless body dangling from the mast of his sailboat 'Beau Séjour'. He wakes up on the beach hours later, but nobody can see or hear him. He's dead - apparently a suicide. What's going on? That his family is glad to be rid of him becomes painfully clear from their reactions to his death. Maurice starts to investigate his own death. Then he discovers that there are a couple of 'seers': those who can still see him and with whom he can talk... But why these specific people?'
