

# Bonnie&Clyde Copycats

Original title: Bonnie&Clyde Copycats

Two people, € 0 budget, 0 crew, 0 permits. A cartoon-like action-film parody; a gangster movie with the first car-chase ever shot in Bruges. Bruges is threatened by two notorious gangs: the ruthless Alfredo's and the Torietti's, who have more values. Betty and Marc are an average couple who hate their jobs and dress up as Bonnie and Clyde to try and have a little fun. When they accidentally witness Alfredo killing a key figure in the Torietti family, they get caught up in their gang war. They weren't careful what they wished for and are obliged to live life like their heroes. They now realise that a peaceful life wasn't so bad after all.
