

Brasserie Romantique

Original title: Brasserie Romantiek

Fortysomething Pascaline runs a brasserie and prepares the stylish dining room for Valentine. But does she really expect her lover of 20 years ago to appear and ask her to go to Rio with him? Other customers also cope with the unexpected: bored housewife Rose informs her husband that she has a lover; Mia intends to commit suicide until she is wooed by waiter Lesley; and inconspicuous civil servant Walter is wracked with insecurity when seated in front of the woman of his dreams.
