

Brossé

Original title: Brossé

As a composer of concert and film music as well as musicals, Dirk Brossé is part of a glamorous world of drinks receptions, interviews, media attention and world travel. But there is another side: the little boy, son of an undertaker, carrying the tin drum in the nursery school photo, lives on. Using his phone to capture details of what he sees and keeping the images in a kind of video diary, Dirk Brossé seeks refuge in intimacy.
