

Bug

Original title: Bug

Sam is 12, a frail boy who is passionate about film. Bobby is 14, a cheeky city girl. She agrees that he can follow her for a day with his camera. To make his film more spectacular, Sam starts to add storylines, conflicts, characters and voice-over. But when Bobby's friend Buck shows up, Sam starts to lose control. Eventually, security guards in the mall where they are hanging out have to intervene. Reality and imagination intertwine, until Sam can't tell the difference anymore.
