

Bullets

Original title: Bullets

Bullets is a character-driven drama thriller about gifted undercover cop Mari Saari, who delves dangerously deep into the roles that she is playing. In season one, she infiltrates the inner circle of suicide bomber recruiter Madina who has travelled to Finland for her final mission. The only way to prevent the unthinkable from happening is for Mari to befriend the menacing Madina. But everything is not as it seems. The real reason she has come to Finland is not destruction, but reconstruction, as she tries to reunite with her long-lost daughter. In exchange for her daughter, a hidden cabal of conspirators are forcing Madina to execute a political assassination disguised as a terrorist attack. Mari needs to reveal hidden forces operating behind the scenes who are pressuring Madina.
