

Callboys 2

Original title: Callboys 2

Having run up crippling debts, the four boys work harder than ever to keep their heads above water. While golden boy Devon is cutting corners, Jeremy is failing as an escort. Leader Wes, however, is more focused on the prospect of a rosy future than on the problems at hand. As the group's conscience, Randy tries to step up - but even his patience has its limits. The impasse is broken when Wes makes a stupid, desperate bet - one that makes the boys filthy rich overnight. Normal people would consider this the solution to all their problems. For the Callboys, it merely makes things worse.
