

Charlotte

Original title: Charlotte

Fiercely imaginative and deeply gifted, Charlotte Salomon dreams of becoming an artist. Her first love applauds her talent, which emboldens her resolve. But the world around her is changing quickly and dangerously, limiting her options and derailing her dream. When anti-Semitic policies inspire violent mobs, she leaves Berlin for the safety of the South of France. There she begins to paint again, and finds new love. But her work is interrupted, this time by a family tragedy that reveals an even darker secret. Believing that only an extraordinary act will save her, she embarks on the monumental adventure of painting her life story.
