

Chickentown

Original title:

In the heart of a big city... Zino, a self-absorbed rooster, struts through his tiny urban henhouse looking after his team. Polly, the terrifying landlord, threatens to sell them to the butcher next door if she doesn't get her daily eggs on time. A rollercoaster of action and comedy drags them through the day where they always manage to save their feathers (occasionally the planet...), and eventually all lay their life-saving egg.
