

Cinema Inch'Allah

Original title: Cinéma... Inch'Allah

Cinema Inch'Allah focuses on four Belgian-Moroccan filmmakers in their thirties, following the production process of their latest film. Since adolescence, and with incredible enthusiasm, they have managed to produce over 30 low-budget movies in which they have often played the main characters themselves. Their movies are not only the sum of their fears and desires, but also a way of projecting an image of themselves to their own community and the outside world. But a lot has changed since adolescence...
