

# Clinch

Original title: Clinch

Clinch is a tragi-comic television series about three men who meet for the first time in each of the six episodes and get tangled up every single time - six inconvenient encounters in which they totally depend on one another. The problems don't seem too major at first but, as the three look for a solution, their troubles turn into one big clusterfuck. And just when a solution is about to arise, a skeleton comes out of the closet.
