

Coppelia

Original title: Coppelia

Coppelia combines enchanting animation and live-action dance in a modern retelling of the love story between Swan and Franz, jeopardised by Dr Coppelius and his uncannily beautiful protégé Coppelia. With a diverse and world-class cast, this unconventional adaptation sees Dr Coppelius as a cosmetic surgeon, whose lure of superficial beauty poisons the town. Swan must uncover the truth about the popular newcomer who puts her community and the life of her beloved Franz in danger. As the townspeople come to learn, in an increasingly image-conscious culture, it's never been more important to be yourself.
