

Crossing

Original title: Crossing

Iris, Walter and their two sons, take the ferry home after a holiday in Morocco. As they approach Spain, their marital secrets catch up with them, producing a moment of passion at exactly the moment their eldest son, Peter, disappears. Meanwhile, the ferry captain is smuggling his pregnant daughter to Spain, unable to live with the shame of a bastard child. But his daughter has other plans. Finally, an ambulance crew in the Spanish port finds the body of a young man. As the ferry docks in Spain, the three sets of characters come face to face with the consequences of their actions.
