

Dance of Life

Original title: Dance of Life

Dance of Life is an intimate, poetic portrait of Nastasia, a charismatic young dancer. When Nastasia dances, she finds the profound connection and inner tranquility she has always yearned for since her childhood. Now that she is about to become a mother for the first time, her life takes a new turn and she finds herself torn between conflicting emotions. As fears and dreams from the past arise, she wonders if she will be able to raise her child the way she has always wanted.
