

Daniel Van den Berg is Dead

Original title: Daniel Van den Berg is Dood

When Daniel Van den Berg is mistakenly declared dead in the pension system his monthly income dries up and he struggles to make ends meet. To prove that he is still alive, Daniel has to take all sorts of absurd steps. But what seems like a simple matter of collecting the required documents and making a case becomes increasingly irritating. Daniel just wants to be heard, but it seems no one in the bureaucracy really wants to help him. Despite this exhausting paperwork, Daniel does not give up. But will he succeed in proving that he is still alive?
