

Dear Saint Nicholas

Original title: Dag Sinterklaas

Every night, Saint Nicholas and Helper Pete collect children's letters and drawings. In these letters, children often ask questions like; why does the saint take a steamboat to travel to Belgium? How old is Saint Nicholas, and what is written in his big book? What is his favourite dish? What should you do to prepare for the night he comes to visit? While Saint Nicholas thinks very deeply about these questions, all kinds of strange and crazy things happen in his castle. We get to know his other friends as well: his housekeeper Conchita, her husband professor Cleverclogs, and her niece Palomita. More friends, like Ramon, the captains, Knetia Knieschijf and the Staff Keeper, also come and visit him once in a while. And his horse, Rainy Day, is standing in his kitchen, as usual.
