

Dickie S02

Original title: Boerke S02

Whether he's a farmer, a clown, an artist or a superhero, everything always goes wrong for Dickie. His naivety, self-centredness, vanity and awkwardness, both practically and socially, make him a charming and universal loser. He always starts with the best of intentions, but then things always turn out differently, confounding his hopes and expectations. *Dickie* is based on the popular comic strip created by Pieter De Poortere.
