

# Dirty God

Original title: Dirty God

**Dirty God** is a film about a young mother from London who must pick up the pieces after an acid attack leaves her with severe facial burns. Prior to the attack, with limited education and opportunities, Jade's main currency was her looks. Her face has been reconstructed, but her beauty is gone. Jade must set about rebuilding herself - and this is a gargantuan task. Cast adrift from her young daughter, Jade finds solace in the hidden world of online liaisons where she uncovers the passion and connection she's craved. However, the actions of a stranger threaten to turn her life upside down once more, and those around her are ill-equipped to halt her descent. As family life and friendships start to crumble, Jade takes drastic action.
