Original title:

According to Greek mythology, Aphrodite and Adonis were born on Cyprus. The Island of Love has long attracted lovers and epicureans. Whether at its splendid seaside, up in the Troodos mountains, in the city of Nicosia, or in the tourist areas, visitors are overwhelmed by its charm. The hospitality of the Cypriots, the favourable climate, the beauty of the countryside, the good food and the wide range of accommodation are all good reasons to travel to this small country with its ancient history, which remains eventful even today.
