

# Dissolution

Original title: Ontbinding

Life for the hermaphrodite creatures on the tower has one purpose: getting to the top. They do this by waiting in line. When someone dies the line gets shorter. When someone is born, the line gets longer, for those lower down. Yet no-one rebels, for fear of losing their place. Then a creature is born who looks a little different, and does not respect the established hierarchy. While this newcomer is at peace, the others are left in confusion and discord.
