

Do You Know What Love Is

Original title: Do You Know What Love Is

Do You Know What Love Is is a portrait of this/my generation. The digital revolution exploded in our teens: we have mobile phones, computers.... We are YouTube addicts and share a social life through Facebook. We are adults but we are still trying to postpone adulthood for a while. There is a crisis going on but we try not to think about it. Notwithstanding the luxury of youth, information and things, we are still unable to answer the big question in life: do you know what love is?
