

Doctor Vlimmen

Original title: Dokter Vlimmen

On their way home, Dr. Vlimmen and his friend have an argument, that takes us back to something that has happened in the 20's. Back then Vlimmen and Dacka were working in a little town. Dacka as a poor lawyer, and Vlimmen as a young veterinarian, hoping for a steady job at the city abattoir. But Vlimmen sees his chances fade to nothing, when he's accused of raping his young servant who is now pregnant. When the matter is brought to court, his friend Dacka defends the girl, which divides the two friends. However, Dacka finds the real father, clearing Vlimmen of all charges. But his joy is overshadowed when his sister marries and immigrates to Canada. He can only find comfort in his friendship with Dacka. Based on the work of A. Roothaert
