

Downtown

Original title: Downtown

1988. Three young gay men, Ronnie, Lennart, and Bas, throw themselves into Amsterdam's nightlife scene; a life full of friendship, sex, and drugs. Until the mysterious AIDS virus casts a shadow over their lives and one of them disappears after becoming infected. Thirty-two years later, in the middle of the 2021 lockdown, Ronnie recognizes the missing Bas in the subway. An evening unfolds that no one had expected, but which had been in the air for years. The AIDS epidemic has had a major impact on all three of their lives, and where they lost each other 32 years ago, they hope to find each other again.
