

Dragon Rider

Original title: Drachenreiter

Firedrake, the young silver dragon, has had enough of constantly having to hide in a wooded valley. He wants to show the older generation that he is a real dragon so secretly sets off on an adventurous journey with forest brownie Sorrel. He wants to find the 'Rim of Heaven', the dragons' mysterious haven. On their quest Firedrake and Sorrel encounter orphan Ben who claims to be a dragon rider. While Ben and Firedrake make friends quickly, Sorrel becomes increasingly distrustful. But the unlikely trio have to learn to pull together because they are being hunted by Nettlebrand, an evil, dragon-eating monster created by an alchemist with the aim of tracking down and destroying every dragon on Earth...
