

Draw for Change: We Exist, We Resist

Original title: Draw for Change: Existimos, Resistimos

Enter the vibrant world of Maremoto, a young Mexican cartoonist who, through her drawings, empowers women and addresses the taboos of her society. Visit Maremoto's studio, join her on an afternoon of making street art and experience what it feels like to move as a woman through a metropolis in Mexico, a country where 10 women are murdered every day and tens of thousands go missing. In a combination of 360° video, animation and interactivity, we become part of Maremoto's ongoing search for her identity and drive through art, tackling themes such as body positivity, sexual harassment and contemporary activism.
