

Dry Sea

Original title: Dry Sea

George is left behind by his wife and daughter, who no longer want to live in a dried out sea. Even though he doesn't want to lose them, he doesn't find the strength to end his past as a fisherman. All alone, George keeps maintaining his old fishing boat, as he does every day. During his daily routine, he gets trapped in a sandstorm, which forces him to take refuge on his fishing boat. The storm not only confronts him with his lost past as a fisherman, but also with his recent loss, a life together with his beloved daughter. After the storm settles, he finds the strength to let go of his past.
