

Eefje Darkblue

Original title: Eefje Donkerblauw

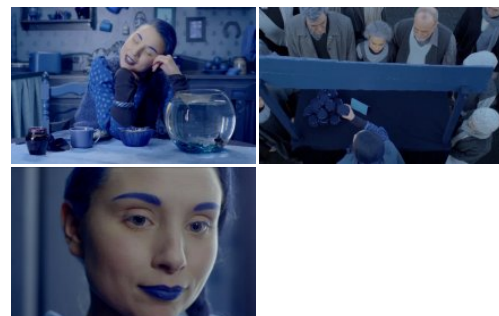

Eefje Darkblue lives happily in her dark blue house with its dark blue chairs, dark blue table and dark blue bed. Everything in Eefje's house is dark blue, even best friend Antonio, a dark blue fish. But sometimes she feels lonely so she decides to get to know the grey people of her town and enthusiastically erects a dark blue stand in the middle of the grey city to sell blueberry jam. But the grey people think Eefje is weird and are neither interested in her jam nor in talking to her. She loses heart and decides she would be happier alone in her dark blue house. But what if she were to encounter a sweet yellow prince?
