

Eisenstein in Guanajuato

Original title: Eisenstein in Guanajuato

In 1931, at the height of his artistic powers, Soviet filmmaker Sergei Eisenstein travels to Mexico to shoot a new film to be titled *Que Viva Mexico*. Freshly rejected by Hollywood and under increasing pressure to return to Stalinist Russia, Eisenstein arrives at the city of Guanajuato. Chaperoned by his guide Palomino Cañedo, he experiences the ties between Eros and Thanatos, sex and death - happy to create their effects in cinema but unhappy to suffer them in life.
