Ellektra

Original title: Ellektra

Sam, a former journalist and ex-junkie, gets the task of finding a girl, Ellen, and bringing her back to her father, Aimé. But Ellen refuses to go back to her criminal father. Sam takes Ellen, who reminds her of her dead daughter, under her protection. But in the confrontation with Ellen's father, Sam has no other option than to make a final sacrifice. A number of other characters are also introduced throughout the film: pianist Anna, DJ cosmonaut x, perfumer Harry, pilot-to-be Ludovic, stripper Cynthia and hustler Cabron. At first they seem to have little in common until, simultaneously, catastrophe strikes them all individually and they accidentally get in contact with Ellen through mobile text messages from Ellektra.
