

# Ever Still Here

Original title: Nog Steeds Hier

In the world of our three dolls, we repair our tears, lovingly offering the threads of one to repair the other. But when Granny falls so ill that she is on the point of disintegrating, what can her daughter do to re-establish contact? Will she succeed? *Ever Still Here* tells the story of maternal and filial love, and of the interconnection between spirits, even when it is physically impossible. In the midst of grief, it seeks to offer hope.
