

Exitus

Original title: Exitus

Two friends - urban explorers and filmmakers - travel around the world to scout mysterious abandoned buildings. Urban exploring is not only their passion, it's a way of living. On their travels, they encounter a wonderful world of decay, ugliness, desolation but also beauty. They will be on the road for thousands of kilometres, always on the move to secret locations and derelict buildings, with one goal ahead: to bring a mystical place back to life using stop-motion animation.
