

EXPRMNTL

Original title: Exprmntl

Knokke, Belgium. The casino of this mundane coastal town became the epicentre of one of the most important events in the history of experimental and avant-garde cinema. The legendary festival 'EXPRMNTL' was the meeting place for now equally legendary filmmakers and the place where bourgeoisie and counterculture in the 60s came to blows - earning Belgium its place in the pantheon of cinema history and contributing to the development of contemporary image culture.
