

# FC De Kampioenen II - Jubilee General

Original title: FC De Kampioenen II - Jubilee General

The story of the second film begins where that of DDT ended: in prison, locked away for tax fraud. At the same time when he's released, the Champions are preparing their 25-year jubilee. It promises to be a grand party, but the return of DDT might make for some trouble. And when Xavier and Marc secretly decide to bring back former trainer Oscar Crucke - who has retreated to a monastery in Thailand - things get really interesting...
