

Ferry

Original title: Ferry

Amsterdam 2008. Ferry Bouman works for hashish dealer Brink, a powerful criminal and Ferry's mentor. One day, the gang is violently robbed and Brink's son is critically injured. When the robbers' tracks lead to a group of campers from Brabant, Ferry is told to find and kill the perpetrators. So Ferry goes home, to the region he fled long ago. A strained reunion with his estranged family, a return to the camping life he had left behind, and meeting the charming Danielle slowly undermine his defences. Meanwhile his tense manhunt produces unexpected results. Eventually, Ferry's loyalty is put to the test.
